

**International Conference on Innovations in Data Analytics
(ICIDA 2024)**

*Organized by
Eminent College of Management and Technology (ECMT)*

*Technically Sponsored by:
Scientific Innovation Research Group (SIRG), Egypt
Scientific Research Group in Egypt (SRGE), Egypt
CI2S lab, Argentina*

Date: 18th – 19th December, 2024 (Hybrid Mode)

******* CALL FOR PAPERS *******

SPECIAL SESSION

Disruptive Technologies: Unleashing the Power of AI, Quantum Computing, and 5G

SESSION ORGANIZERS:

Dr Neda Fatima
Associate Professor
Department of ECE
School of Engg and Tech
Manav Rachna International Institute
of Research and Studies
Faridabad – 12004
9873154201
drnedafatima@gmail.com

SESSION DESCRIPTION:

The special session titled "Disruptive Technologies: AI, Quantum Computing, and 5G for a New Era" will explore the transformative impact of integrating Artificial Intelligence (AI), Quantum Computing, and 5G technologies. This powerful combination represents the next wave of innovation, driving unprecedented advancements in data processing, connectivity, and problem-solving across multiple industries. Participants will dive into how AI enhances decision-making and automation,

Quantum Computing unlocks new possibilities in solving complex problems, and 5G enables ultra-fast, low-latency communication. Together, these technologies are revolutionizing fields such as healthcare, autonomous systems, cybersecurity, and smart infrastructure. The session will feature expert speakers, panel discussions, and case studies, offering insights into real-world applications and the synergistic benefits of these technologies. Attendees will learn how this convergence fosters innovation, empowers digital transformation, and creates future-forward solutions that will reshape the global landscape.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

1. Artificial Intelligence and Machine Learning
2. Blockchain and Decentralized Technologies
3. Quantum Computing
4. 5G and Next-Generation Connectivity
5. IoT and Smart Systems

PUBLICATION AND SUBMISSION PROCEDURE

The conference aims at carrying out double-blind review process. The papers submitted by the authors will be assessed based on their technical suitability, the scope of work, plagiarism, novelty, clarity, completeness, relevance, significance, and research contribution. The conference proceedings will be published in **Springer LNNS Series (Scopus)**.

Website: <http://icida.ikrf.in>

Submission Link: <https://cmt3.research.microsoft.com/ICIDA2024>

Submission Deadline: **30th September, 2024**

NOTE: While submitting the paper in this special session, please specify [Disruptive Technologies: Unleashing the Power of AI, Quantum Computing, and 5G] at the top (above paper title) of the first page of your paper.
